PROFILE

Fourth-year architecture student at the David Azrieli School of Architecture. My work focuses on the city, housing and community, linking research with detailed design from the urban scale down to the joint detail. METRIX, a team project I worked on, won the school competition and was nominated for The Michel Gelrubin Prize in Architecture. I bring years of client-facing work and running shifts on my own, strong organisation, and steady teamwork under pressure.

EDUCATION

2023–present **Bachelor of Architecture (B.Arch), 4th year**
David Azrieli School of Architecture, Tel Aviv University

2017 **Full matriculation (Bagrut)** · Aharon Katzir High School, Rehovot

AWARDS

2026 **METRIX: winner, school competition on "Connection"**
Nominee, The Michel Gelrubin Prize in Architecture

EXPERIENCE

2025–present **Receptionist** · Ananda Spa, Tel Aviv
Sole person in charge of the spa during my shift: welcoming clients, scheduling treatments, payments, day-to-day operations and the team on shift.

2022–2025 **VIP Host** · FLOW BY QAS, Ben Gurion Airport
Personal escort for private clients and high-profile business people, through the lounges or fast-tracked through the regular lines, working with the Ministry of Defense and other government ministries.

2021–2022 **Waitress and staff trainer** · Sfera chef restaurant, Rehovot
Trained new waiting staff and ran shifts.

2021 **Front-desk clerk** · Royal Garden Hotel, Eilat

2019–2021 **Waitress, then shift manager** · Tokopia chef restaurant, Ness Ziona

2013–2019 **Sales and service** · American Eagle and Pizza Mati, Rehovot

MILITARY SERVICE

2018–2019 **Information-security NCO** · C4I Directorate, discharged as Sergeant
Coordinated audits and training across the directorate and handled security clearances for consultants and contractors.
Outstanding Soldier of the C4I Directorate, 2019

2017–2018 **Security investigator** · Intelligence Corps
Conducted daily security-clearance interviews, from conscripts to career and reserve officers.
